HISTORICAL NOTE

The Delta Kappa Gamma Society International is a professional honorary Society of women educators. The Society promotes professional and personal growth of its members and excellence in education.

Established in 1929, Delta Kappa Gamma has attained major objectives in improving opportunities for qualified women employed at every level of education, as well as in advancing the status of women educators. To this end, the Purposes set forth by the Founders continue to embody the spirit of the Society. The Purposes have grown and changed over time, but continue to be as valid in today's contemporary world as when first adopted. Membership is by invitation only and considered a prestigious honor with a variety of benefits and privileges. (DKG website 10/7/2011).

Beta Omega Chapter was founded in April of 1979 in Pi State (New York). It is part of the Capital Area Council, with members located in the northern capital district, from Scotia to Queensbury, and from Salem west to Gloversville.

Beta Omega members voted at their September 30, 2011 meeting to deposit their scrapbooks and associated materials at the Folklife Center at Crandall Public Library.
